AMERICANS are large users of explosives, but instead of employing them to destroy, we use them to improve. The men engaged in the manufacture of explosives are

clear-minded and steel-nerved. Of course, they can't smoke-but they want the solace of tobacco while at work. Most of them chew STAR. They chew STAR all day long and find the last chew as good as the first. -

You'll find that the thick STAR plus allows you more of the mollow, long listing thewing leaf, that STAR condry out like a thin clug and that every STAR plug wearles a full 16 ounce pound. The demand is so great that STAR never stays long on
